A two-act Pop/Rock musical, Rated PG, from Stephen Schwartz ("Godspell" and "Pippin") and John Caird ("Les Miserables") comes a joyous and inspirational musical about parents, children and faith ... not to mention centuries of unresolved family business! Freely based on the story of Genesis, Children Of Eden is a frank, heartfelt and often humorous examination of the age-old conflict between parents and children. Adam, Eve, Noah and the "Father" who created them deal with the headstrong, cataclysmic actions of their respective children. The show ultimately delivers a bittersweet but inspiring message: that "the hardest part of love ... is letting go."

An expansive, ambitious musical - a rich score with pageantry and sweep.
